*APY = Annual Percentage Yield. Dividends are prospective. In case of early withdrawal or fees, earnings could be reduced. Please see details below. The rate, APY, and fee schedule may change at any time without notice. Dividends will begin to accrue on noncash deposits on the business day you make the deposit to your account.

Early Withdrawal Penalty. We may impose a penalty if you withdraw from your account before the maturity date. Amount of Penalty: The amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows: terms of 3 & 6 months, 30 days of dividends are forfeited; term of 12 months, 60 days dividends are forfeited; term of 24 months, 90 days of dividends are forfeited. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or the dividends have already been paid, the penalty will be deducted from the principal.

Penalties are waived on IRA Share Certificates for members over the age of 59 1/2.

Accounts are federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government by the National Credit Union Administration, an agency of the U.S. Government. In addition, IRA funds are insured separately to \$250,000 by the NCUA. A penalty will be imposed for early withdrawal of all term share certificates.
